

**Group Name:** Easy Riders

**Ride Level:** Recreational

**Typical Distance:** 10 to 15 miles

**Typical Pace:** 10 to 12 mph, no-drop.

**Description:**

This group is for those who would enjoy riding with others, but prefer a shorter, slower-paced experience that avoids busy, narrow roads and difficult terrain. Most rides are 10 – 15 miles, primarily in and around Sun City and Lincoln, with a 10 – 12 mph pace. We are no-drop, and regroup periodically to make sure we stay together. The focus is to have fun and ride safely. Please review the Club's safety policies to make sure that you and your bike are compliant. Let's get riding!
